Georgian Sofa/ Games Table

PRODUCT DESCRIPTION

18th Century Georgian mahogany sofa/ games table.

This sturdy yet elegant occasional table is a terrific example of Georgian furniture.

Unusual protruding curves to the top, which lifts out to reveal a square table top. Beautiful, solid figured mahogany with rich patina.

Supported on subtly tapering legs terminating in pad feet. Featuring a single drawer with original hardware.

Georgian furniture sought to be functional and suitable for entertaining.

The enduring antiques from this period testify to a golden age of cabinet-making, and these are pieces which blend seamlessly into modern homes.
