

LORFORDS

Syphilis and Gonorrhoea
are homebreakers, bringing
suspicion and danger to
family life
Clean living is the real safeguard

These venereal diseases can be cured if treated early. For those who are infected, or think they may be, advice and treatment are free and confidential at any V.D. Clinic

The addresses of nearest clinics may be obtained from the Office of the Medical Officer of Health or from local posters

V.D. CAN BE CURED  IF TREATED EARLY
BUT CLEAN LIVING IS THE REAL SAFEGUARD

MADE BY THE MINISTRY OF HEALTH

 **Infection can last for years with no visible signs...**
TREATMENT MAY STILL PREVENT SERIOUS TROUBLE

Many people have Syphilis or Gonorrhoea without knowing. These diseases, untreated, harm or maim many more years after infection. ... Treatment often may follow long after.

If infected you may have some early signs but SKILLED & CONFIDENTIAL ADVICE SHOULD BE SOUGHT NOW

SYPHILIS and GONORRHOEA

If a man or woman has Syphilis their baby may be born dead or diseased. But skilled treatment of the woman before or during pregnancy will almost always ensure a healthy baby. Untreated Gonorrhoea may make parenthood impossible

For those who are infected, or think they may be, advice and treatment are free and confidential at any V.D. Clinic
