The Kingston Sofa is a design classic. There really is no way to improve upon the original 'Ivor' model made by Howard & Sons, and so we faithfully reproduce the sumptuous luxury that this timeless sofa brings.

Built and finished just as the model was in the 19th Century with hand-tied coil springs and hand-sewn down-filled sac-a-duvet cushions to sink into. The nation's favourite!

This sofa is part of the Lorfords Created collection. Lorfords Created is based in the Cotswolds and creates luxury bespoke furniture using traditional upholstery. For more information or to view the whole collection please visit www.lorfords.com.
