The Belgravia is a refined and traditional model with genteel proportions and excellent pedigree. Our take on the Howard & Sons 'Portarlington', it oozes country house charm. Similar to our Mayfair, but smaller proportioned, it nevertheless contains the same luxuriously high down content. This sofa is part of the Lorfords Created collection. Lorfords Created is based in the Cotswolds and creates luxury bespoke furniture using traditional upholstery. For more information or to view the whole collection please visit www.lorfords.com.
