The Brompton sofa is our take on the Howard & Sons original sofa, the 'Beckett'. Characterised by the trimmed sloping arms, this model is comfortable yet elegant. The built in cushions to the back and arms make this sofa perfect for sprawling or dozing on without the need for scatter cushions.

We have perfected the proportions to create a sofa, perfectly suitable for a country home or a more contemporary London pad looking for a special touch of historic elegance.

This sofa is part of the Lorfords Created collection. Lorfords Created is based in the Cotswolds and creates luxury bespoke furniture using traditional upholstery.
