Georgian Rocking Horse

£1,250.00

W: 89 cm (35 1/16")
H: 73.5 cm (28 15/16")
D: 22 cm (8 11/16")

Georgian period carved wood rocking horse.

Wonderful colour and aged patina, with a painted gesso finish and remnants of original painted colours. Nicely carved head and nostrils.

This very pretty horse was presumably once the beloved plaything of a child in Georgian England, and today it would make a lovely nostalgic display piece.

Materials & Techniques: Wood
