White Leather Travelling Trunk

£850.00

W: 106 cm (41 3/4")
H: 57 cm (22 7/16")
D: 55 cm (21 5/8")

White leather travelling trunk.

This trunk is metal bound, with wooden hangars inside for storing clothes.

Up until the Mid-20th Century, trunks were the luggage of choice for many as they could be stacked on transport and used as storage.

Age and wear has given the leather a lovely colour. Overall this trunk is in a good condition and would make a lovely storage and decorative piece.

Materials & Techniques: Leather
