## Pair of 19th Century French Library Chairs **£1,950.00**

W: 59 cm (23 1/4")  
H: 94 cm (38")  
D: 47 cm (18 1/2")

A pair of quality French mahogany library armchairs upholstered in old leather. Circa 1830.

As France began to move on from Empire style, furniture sought to cater to a growing middle class- the bourgeoisie.

Furniture was still luxurious, with mahogany very much the wood of choice. However, comfort became more of a priority and there was less extravagance.

This pair are very charming, with reeded turned legs and curving armrests. The upholstery has aged to a create a lovely colour which compliments the rich patina of the wooden frame nicely.
