Late 19th Century Italian Mannequin **£750.00**

W: 50 cm (19 11/16")
H: 120 cm (47 1/4")
D: 90 cm (35 7/16")

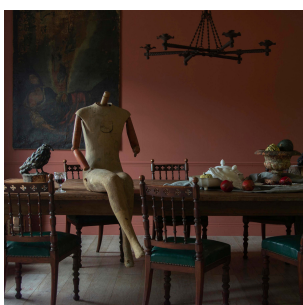

An unusual late 19th Century Italian mannequin in a seated position.

This workshop mannequin exudes elegant poise, making one wonder what designs it once modelled.

The wooden arms are moveable, the rest of the fabric covered body fixed in place including the legs- which are in a gently crossed position.

This is a statement artistic piece, which will bring a unique touch to an interior.
