Pair of 20th Century Italian Armchairs

£5,500.00

W: 75 cm (29 1/2")
H: 110 cm (43 5/16")
D: 76 cm (29 15/16")

A pair of mid 20th Century Italian upholstered armchairs.

The design is attributed to Gio Ponti (1891-1979), a renowned Italian architect, whose furniture is characterised by the principle of Italian modernism represented in the curves of these chairs.

The chairs are likely to have been manufactured by ISA Bergamo.

Reupholstered in GP and J Baker velvet, these chairs have a luxurious feel to them and were purchased in Italy.
