## 19th Century Upholstered Panelled Screen

**£575.00**

W: 168 cm (66 1/8")  
H: 166 cm (65 3/8")  
D: 6 cm (2 3/8")

English Late 19th Century panelled upholstered screen.

The three panels have glass inserts at the top so you can see through them, and they are framed by intricately carved mahogany wood.

Panelled screens were used in Victorian England both as a source of decoration but also for practical purposes, such as dividing a room and privacy.

Materials & Techniques: Glass, Mahogany  
Condition: Good  
Period: 19th Cent
