W: 81 cm (31 7/8")
H: 115 cm (45 1/4")

19th Century pine chest and set of drawers.

This very unusual piece features a detachable box on top of a traditional 19th Century set of chest of drawers.

The set is wholly original, including the scumbled paint, handles and drawers.

This piece would have been made to allow the box to be taken away when necessary or transported more easily.
