Neoclassical Brass Brazier

£260.00

W: 36 cm (14 3/16")
H: 26 cm (10 1/4")
D: 0 cm

Edwardian brass four legged brazier in the neoclassical style.

Braziers were used since the ancient world, as sources of heat and light and sometimes for cooking and rituals.

This brazier stands on four foliate decorated legs with scroll feet and handles. It has a lovely authentic patina.

This piece would make an unusal and decorative planter, wine cooler or ice bucket.

Materials & Techniques: Brass
Condition: Good
