Industrial Rise and Fall Table

£1,450.00

W: 100 cm (39 3/8")
H: 90 cm (35 7/16")
D: 100 cm (39 3/8")

Industrial iron table.

Its origin is unclear, but the mechanism to adjust height suggests that it was an artist's or sculptor's table.

Retaining lovely turquoise blue paint patina to the pine top.

This unique piece would work well as a tripod or kitchen/conservatory table. Winding mechanism works well.
