## Pair of 19th Century Oak Stools

**£1,600.00**

W: 47 cm (18 1/2")  
H: 75 cm (29 1/2")  
D: 40 cm (15 3/4")

Charming pair of 19th Century oak stools, in the Arts & Crafts style.

This pair have lovely small proportions, and despite their simple construction they have great decorative appeal.

Featuring turned top rails with semi-circular handles to the middle. The seat has gently carved aprons above and below, with roundels.

The shaped slab ends have stylised open carved Fleur de Lis motifs.

Each stool rests on projected shaped and carved feet, joined by a stretcher.

Materials & Techniques: Oak  
Condition: Good
