

WD2812137

18th Century Venetian Folding Screen

£4,000.00

W: 354 cm (139 3/8")
H: 165 cm (64 15/16")
D: 2.5 cm (1")

18th Century Venetian painted folding screen with six panels.

This vivacious screen features well observed Italian carnival figures, with fascinating attention to detail.

Framed by an attractive coral coloured painted border, with gold edges.

This could be used as a screen, or mounted on a wall. Either way, it is a wonderful talking point and perfect for bringing character and colour to an interior.

Materials & Techniques: Canvas, Wood
Condition: Good
Period: 18th Cent and Earlier
