H: 90 cm (35 7/16")

Charming chest of drawers, of unusually small proportions.

This 20th Century piece is very much in the Regency style, and is of elegant straight-lined design. Retaining its warm, original paintwork.

This chest has six shallow drawers, each with two cut glass pulls. Decorative escutcheon to the top drawer. The whole is supported on attractive bracket feet.

Due to its small scale, this is a really useful piece for nooks in the home.
