Teak Glass and Brass Trolley

£1,500.00

W: 82 cm (32 1/4")
H: 66 cm (26")
D: 43 cm (16 15/16")

Teak Mid Century Italian glass and brass trolley.

Of simple yet striking form, this trolley offers two slide-out shelves for entertaining in style.

This piece is very much in the style of Cesare Lacca, who designed modernist furniture in Italy during the 1950s and a great many trolleys like this one.

This is a fantastic piece of Mid Century design, that would be a great addition to a bar or living room.

On brass castors.
