Vintage Coffee Games Table

£495.00

W: 99 cm (39")
H: 48.5 cm (19 1/16")
D: 55 cm (21 5/8")

Quirky Mid Century table that could offer coffee, cocktails, or games. Germany, 1950s.

This table exhibits the clean-lined silhouette that defined Mid Century furniture, but it is certainly a unique example.

Comprised of lacquer under glass and brass, this piece is clearly a tribute to life's enjoyments. The top is decorated with a chess/ checkers board, cocktail glasses, and dice.

It is supported on UFO legs with brass feet and is in excellent vintage condition.

This eclectic piece would make a fun retro addition to a living room or home bar set up.
