Gothic Style Iron Coffee Table

£1,200.00

W: 96 cm (37 13/16")
H: 51 cm (20 1/16")
D: 68 cm (26 3/4")

Fantastic and unusual English coffee table with an iron base, circa 1900.

The base supports a black glass top which is framed by a mahogany surround.

Featuring gothic arch end supports which enclose the upper part of a quatrefoil. The legs are joined by a H stretcher.

The good quality casting of the iron base makes this a strong and sturdy table with great eye-catching form.
