French Marble Top Buffet

£2,800.00

W: 125 cm (49 3/16")
H: 101 cm (39 3/4")
D: 55 cm (21 5/8")

Stunning French buffet, circa 1860.

Reminiscent of the slightly earlier French buffets under Louis Phillippe, with its marble top and rounded frieze.

This buffet offers two doors and one drawer, providing plenty of storage. The body boasts wonderfully figured mahogany, which is all the more enhanced due to its simple classical design.

A fantastic piece, in its original condition. This buffet would merge well within a range of interior settings.
