## Pair of 19th Century French Windows

**£1,950.00**

W: 0 cm  
H: 0 cm  
D: 0 cm

Charming pair of 19th Century French windows, circa 1890.

These windows are made of cast iron, and retain their original glass and attractive blue paint.

The bottom of each is stamped 'Fréteval'- a French commune on the bank of the Loir River, where they were presumably made.

This rustic but sturdy pair present a wonderful opportunity to incorporate them into a new studio, attic, or garden shed.
