

SB0313953

19th Century Country House Hall Bench

£3,600.00

W: 173 cm (68 1/8")
H: 97 cm (38 3/16")
D: 42 cm (16 9/16")

Large 19th Century country house oak hall bench.

This lovely bench features an arched panelled back, with a central carved cartouche and pierced splats. Flanked with knopped finials and roundels.

The arms are adorned with repeating finials and roundels on spiral supports. The seat features decorative carved egg moulding and block corners.

The whole is raised on repeating spiral legs, with turned ball feet.

This is a classic piece with an excellent patina and will make a wonderful feature in a hallway or kitchen space.

Materials & Techniques: Carved, Oak
Condition: Good
Period: 19th Cent
