## 19th Century Gilded Horse

**£1,650.00**

W: 81 cm (31 7/8")  
H: 87 cm (34 1/4")  
D: 29 cm (11 7/16")

Pretty 19th Century gilded horse.

This lovely horse has been carved with flair and character and includes a jute mane and tail and leather ears. Retaining its original gleaming oil-gilding.

The baseboard is original but the plinth pieces have been restored.

This wonderfully decorative horse is far more than a mere toy, and was probably made as a trade sign for an inn.
