

TD7914007

19th Century Walnut Work Bench

£1,450.00

W: 203 cm (79 15/16")
H: 58 cm (22 13/16")
D: 52 cm (20 1/2")

Lovely 19th Century walnut workbench.

With handmade basic construction and a lovely deep patina to the walnut.

This bench has many possible uses in the home; it would look great with a pair of lamps on or could be used as a low room divider.

It has wonderful rustic charm and character.

Materials & Techniques: Wood
Condition: Good
Period: 19th Cent
