## 19th Century Free-Standing Pedestal Desk

**£3,400.00**

W: 138 cm (54 5/16")  
H: 80 cm (31 1/2")  
D: 79 cm (31 1/8")

19th Century walnut freestanding pedestal desk.

This desk has a lovely rich patina. It retains its original tooled leather top which has worn through years of use.

One side offers drawers to each pedestal whilst the other side has two cupboards.

Across the top, two short drawers flank a long central drawer which opens to reveal pull-out writing surface with an original navy leather inset and hidden storage below.

This is a fantastic classic piece which is perfect for the home office.

Materials & Techniques: Walnut  
Condition: Good  
Period: 19th Cent
