W: 82 cm (32 1/4")
H: 157 cm (61 13/16")
D: 43 cm (16 15/16")

Absolutely stunning oak and copper Arts & Crafts bureau, by Shapland & Petter of Barnstable. Circa 1890.

Comprised of a bonnet top with open storage below, and a large fall-front with beautiful metal strapwork.

The fall-front opens to reveal a green leather inset writing surface as well as an arrangement of drawers and cubby holes.

Below the fall front are two graduated drawers with a carved apron below.

The whole is raised on spiral legs supported with stretchers.

This is a fantastic piece of craftsmanship, with a beautiful patina and metalwork throughout. This bureau would make a marvellous addition to any home office, library, or living space.

Materials & Techniques: Oak
