Beech Garden Bench

£895.00

W: 147 cm (57 7/8")
H: 86 cm (33 7/8")
D: 0 cm

Lovely 20th Century English beechwood garden bench.

Of simple yet charming rectilinear form comprised of wooden slats to the back and seat.

Bearing a metal plaque which attributes it to St. Michael. St. Michael was a brand owned and run by Marks & Spencer from 1927 until the end of the 20th Century.

This bench has a great timeless aesthetic and it is perfect for enjoying a long summer's evening.

Materials & Techniques: Beech
Condition: Good
Period: 19th Cent
