## Collection of Six 19th Century Pumpkin Urns **£2,800.00**

W: 35 cm (13 3/4")  
H: 33 cm (13")  
D: 35 cm (13 3/4")

Wonderful collection of six 19th Century urns from the South of France.

These charming urns all have a bulbous pumpkin shape, with egg-and-dart moulding to their rims and fluted bodies. Resting on square plinth bases.

They have all weathered and worn beautifully, with varying patinas and remains of old paint.

These urns have immense decorative power and will look excellent grouped together as a set or spread throughout the house or garden.

Materials & Techniques: Iron  
Condition: Good  
Period: 19th Cent
