H: 93 cm (36 5/8")

Stunning 1950s Italian three-seat sofa.

This sofa has a wonderful luxurious shape, with an elegant camelback and a continuous curve joining the armrests and the seat.

It was clearly designed with both aesthetics and comfort in mind and offers an enveloping form with a very deep seat.

The back has a wonderful sweeping buttoned detail which is repeated under the arms and to the apron. The whole is upholstered in its original dusty rose velvet fabric.

This elegant sofa is supported on four splayed and tapering bronze legs.

This is an iconic example of Italian Mid Century design. It is very much of its era, but it will work equally well in a contemporary Hollywood Regency setting.
