Stylish Regency birds-eye maple side cabinet with a verde marble top.

The top sits above a long frieze drawer. Below, two mirrored doors feature cross-form panels which are centred with carved giltwood rosettes.

The mirrored panels are beautifully foxed and aged, giving this cabinet another decorative dimension. The interior offers two spacious shelves.

The doors are flanked by a pair of columns with carved and gilded capitals and acanthus terminals. The whole is raised on a substantial plinth base.

This fine quality cabinet embodies the Regency fusion of elegance with bold presence.

The birds-eye maple has the most wonderful colour and graining, giving this piece great decorative impact.
