## Collection of Marble Samples £850.00

W: 13.5 cm (5 5/16")  
H: 32 cm (12 5/8")  
D: 13.5 cm (5 5/16")

Fascinating collection of marble columns and blocks from Italy, 19th Century.

These marble pieces represent salesman samples and aim to demonstrate the different types and colours of marble on offer.

They are ideal for use as part of a wider project or just for a decorative accent.

Materials & Techniques: Marble  
Condition: Good  
Period: 19th Cent
