Set of Ten Windsor Armchairs

£6,800.00

W: 61 cm (25")
H: 80 cm (31 1/2")
D: 0 cm

Stunning set of ten 19th Century elm and beech Windsor armchairs.

These beautiful chairs have low backs with carved top rails and high armrests.

They feature extensive turned details throughout, including the vertical spindles which extend around the back and sides.

The spacious dished seats are supported on boldly turned and slightly splayed legs with an arrangement of turned stretchers.

These chairs reflect a classic and timeless design. They have a great patina and a wonderful country house aesthetic.

Materials & Techniques: ['129', '165']
Condition: Excellent
