Southern French Green Cruche

£200.00

W: 27 cm (10 5/8")
H: 30 cm (11 13/16")
D: 25 cm (9 13/16")

Charming French Provençal ceramic cruche.

With a bulbous shape and narrow spout, as well as twin high lateral handles - one incorporating a spout.

This cruche has a lovely deep green glaze with a yellow drip mark.

Cruches were traditionally used for collecting and serving water. This piece of Provençal pottery will bring a dose of rustic charm to today's interior.

Materials & Techniques: Ceramic
Condition: Good
Period: 19th Cent
