## French 19th Century Giltwood Stool

**£1,250.00**

W: 66 cm (26")  
H: 64 cm (25 3/16")  
D: 41 cm (16 1/8")

Fine quality French 19th Century giltwood stool.

This stool has elegant small proportions and timeless neoclassical style. The gilding has a glowing aged patina with the red bole showing through in parts.

The outscrolled armrests rest on shaped wrythen twist supports above fluted panels.

The seat sits above an egg-and-dart moulded frieze with square sections to each corner featuring intricately carved rosettes.

Upholstered in a floral needlework covering with studding.

This charming stool will make for a useful corner seat or dressing table chair.

Materials & Techniques: Gilt  
Condition: Good  
Period: 19th Cent
