**£695.00**

W: 31.5 cm (12 3/8")  
H: 4.5 cm (1 3/4")  
D: 15 cm (5 15/16")

Incredibly smart set of 12 English 19th Century silver-plated individual asparagus serving tongs.

Featuring a maker's mark for Goldsmiths and Silversmiths Company, which later merged to become Garrad The Crown Jewellers.

These asparagus tongs are still in their original leather and gilt-tooled presentation box, which is lined with pink satin and velvet from Jays of Oxford Street, London.

It was common for the finest English silversmiths, such as Goldsmiths and Silversmiths Company, to supply other luxury independent silver retailers with their hallmarked wares.

Unusual to find such a large set of tongs in such excellent original condition and by such well-respected silversmiths. A grand find!

Each tong is approx 10cm long. The box is 31.5cm wide, 15cm deep, 4.5cm high.
