Wonderful English 17th Century oak tiered console.

This console features a hand-carved tulip relief to the drawer, dating it to the Jacobean 'Tulipmania' period of the late 1630s.

It features substantial balustered supports which hold up a thick top, the beautifully carved central drawer, and an undertier.

This piece is in great condition for its age and has a lovely colour to the oak. Great option for display and storage in today's home.
