Large French Champagne Harvest Baskets

£750.00

W: 85 cm (33 7/16")
H: 60 cm (23 5/8")
D: 60 cm (23 5/8")

Wonderful large French wicker champagne baskets, circa 1920.

These hand-made baskets are enormously decorative as well as useful. They have a sturdy construction and were used to harvest grapes in the Champagne region of France.

They retain various painted markings to identify the growers.

Today they are perfect for storing logs by the fireside or blankets in a living area. In excellent condition.

PRICED INDIVIDUALLY...

Materials & Techniques: Wicker
Condition: Excellent
Period: 20th Cent
