Burmese 19th Century Carved Rosewood Settee

£1,495.00

W: 128 cm (50 3/8")
H: 94 cm (38")
D: 64 cm (25 3/16")

Mid 19th Century Burmese rosewood low settee.

This settee is intricately carved and pierced all over, giving it an immense decorative presence.

The back comprises three arched panels separated with posts topped by decorative finials.

The generous upholstered seat and dipped frieze rest on boldly turned legs.

This settee is in very good condition. With its useful proportions and decorative appeal, it will provide a special feature in any interior.

Materials & Techniques: Rosewood
Condition: For re-upholstery
Period: 19th Cent
