## Huge Glazed Capasoni Wine Jar

**£930.00**

W: 50 cm (19 11/16")  
H: 150 cm (59 1/16")  
D: 0 cm

Huge Italian 19th Century capasoni jar from Puglia in Southern Italy.

This jar has a stunning shape and colour, with twin lateral handles. It has a very old aged repair as seen in image, but it will still hold liquid and the spout is undamaged.

These jars were mostly used to store wine or oil instead of using barrels.

Beautiful decorative accent for any interior.
