French Iron and Marble Console Table

£2,200.00

W: 60.5 cm (23 13/16")
H: 71.5 cm (28 1/8")
D: 0 cm

Unusual French 19th Century bistro or console table.

The white marble top is supported on a cast iron base with three legs, decorative disc bases and stretchers. The base features detailed fretwork over scrolled columns and has a great worn patina.

Some minor pieces missing to the fretwork from age-related wear and tear and the marble has aged beautifully.

Very decorative and useful piece for home or garden.

Materials & Techniques: Wrought Iron
