Louis XVI Revival Footstool

£595.00

W: 69 cm (27 3/16")
H: 42 cm (16 9/16")
D: 69 cm (27 3/16")

French 19th Century walnut footstool.

This stool is in the neoclassical Louis XVI style, with refined proportions and unusual concave sides.

It rests on column tapering and reeded legs with carved rosettes to the upper square sections. The legs terminate in castors. The frieze is also deeply carved with decorative impact.

The carpet upholstery is in a lovely condition and has great colour.
