Huge Copper Lantern

£1,600.00

W: 50 cm (19 11/16")
H: 90 cm (35 7/16")
D: 50 cm (19 11/16")

Massive early 20th Century lantern by the General Electric Co. Ltd.

This attractive lantern has a pagoda-style top and retains its original finish and glazing, with decorative arches and opaque glass.

The G.E.C were leading manufacturers of street lighting from the 1930s through to the 1960s.

This lantern has a decorative industrial feel and will provide a unique light source for any space.

Materials & Techniques: Copper
Condition: Excellent
Period: 20th Cent
