Bronze Torso by Angelo Bordonari **£950.00**

W: 29 cm (11 7/16")
H: 50 cm (19 11/16")
D: 8 cm (3 1/8")

Italian bronze sculpture of a female torso by Angelo Bordonari, circa 1991.

Bordonari (b. 1951) is a prolific Italian sculptor who was known for his torsos and work on the human body.

This evocative sculpture has wonderful colour with hints of green patina standing out against the black.

A wonderful interior piece that will bring great texture and depth to any setting.

Signed by the sculptor.

Materials & Techniques: Bronze
