## Swedish 19th Century Buffet

**£3,720.00**

W: 181 cm (71 1/4")  
H: 116 cm (45 11/16")  
D: 47 cm (18 1/2")

Wonderful and large Swedish buffet from Jämtland, dating to the early 19th Century.

This decorative buffet features a raised and carved gallery to the top, above three frieze drawers with diamond-shaped panels and original hardware.

Below, three cupboard doors feature carved arched panels in the gothic style. The interior offers shelving.

This beautiful and unique piece retains lovely old warm paint. It offers today's home a great aesthetic storage option.
