Wonderful pair of French 20th Century framed still life paintings.

This unsigned oil on wood pair originate from the Alsace region.

One painting depicts lemons, a bottle of wine and two wine glasses on a table cloth. The other shows strawberries in a large lettuce leaf, a bottle of wine and a wine glass on a marble table.

The wine and glasses reflect the Alsace origins of the works. Both demonstrate lovely colour and execution.

A very attractive pair with immense provincial charm.
