Pair of 18th Century Walnut Armchairs

£3,600.00

W: 67 cm (26 3/8")
H: 106 cm (41 3/4")
D: 58 cm (22 13/16")

Beautiful pair of 18th Century walnut armchairs, likely of French or Italian origin.

These armchairs have beautifully carved frames, with scalloped top rails and aprons. The aprons are centred by decorative carved rosettes.

The sections joining seat and back feature an attractive carved lattice design and the armrests and uprights are adorned with delicate scroll details.

The spacious seats are supported on elegant cabriole legs with very detailed upturned scroll feet.

They have been reupholstered in a fresh white fabric which is a wonderful complement to the richly patinated walnut.

This is a great classic pair with a timeless appeal.
