Huge Irish Regency Gilt Convex Mirror

£4,800.00

W: 80 cm (31 1/2")
H: 150 cm (59 1/16")
D: 0 cm

Fantastic Irish Regency period gilt convex mirror, of impressive country house proportions.

This large mirror retains its original mercury convex mirror plate, with wonderful foxing. The inner ebonised border is surrounded by a wonderful giltwood frame of joined applied ball decoration interspersed with acanthus.

A deeply carved eagle crest sits above flowing palm leaves. The apron features a central shell flanked by further boldly carved leaves.

The rear retains various labels and sheets of hand-written paper, including an address in Dublin.

A very special piece that evokes all the grandeur of the Regency.
