## French Art Deco Silver Coffee and Tea Service

**£14,000.00**

W: 15 cm (5 15/16")  
H: 15 cm (5 15/16")  
D: 15 cm (5 15/16")

Exceptional French Art Deco tea and coffee service.

This set comprises six pieces, including a samovar, a cafetière, a teapot, a sugar bowl and a milk jug. Each is in sterling silver with exotic wood for the handles.

All resting on a solid silver service tray weighing 9140g.

Made and stamped by the highly regarded Parisian silversmith H. Boulenger & Cie.

A period photocopy of the delivery invoice - dated June 1942 - can be provided on request. The samovar did not appear there and had to be ordered subsequently.

This gorgeous set has an important history and is a fabulous collector's item.

Materials & Techniques: Silver  
Condition: Excellent  
Period: 20th Cent
