## Italian 18th Century Commode with Doors

**£3,400.00**

W: 132 cm (52")  
H: 100 cm (39 3/8")  
D: 74 cm (29 1/8")

Charming Italian 18th Century cupboard.

This cupboard has attractive low proportions, making it ideal for storage as well as display.

The overhanging moulded top sits over two panelled doors with turned wooden handles.

The interior is a delightful surprise, fitted just like a chest of drawers. The four drawers retain their original hand-wrought metal handles and hinges.

Finished on a projecting base with attractive carved bracket details.

Retaining lovely cornflower blue paint which has gently distressed with age.

A charming period piece for adding character to any setting.
